

*Thank You*

---

*Dear potential and return clients,*

We want to thank you for considering working with us. We understand there are a lot of options out there when it comes to building and remodeling. Bend Craftsmen Company understands the emotional and personal endeavor building and remodeling can be, the challenges involved and the investment you are making. We continue to strive to be committed to providing an exceptional and enjoyable experience along the way, understanding and listening to your goals and priorities and respecting your property as if it were our own. We know that when it comes to choosing the right builder, there are many factors that can come in to play, and we strongly believe that the greatest recipe for a successful project is one in which you the client, and us, the builder, feel comfortable working with each other and have a mutual respect and understanding.

Kindest Regards,

Hank Hill, owner/operator
